ONSLAUGHT™ 550

TAKE ON TRAILS OR TASKS.

With a liquid-cooled 503cc EFI engine, you get more than enough power to get the job done. Four-wheel drive, double a-arm suspension, 12 inches of ground clearance and optional electronic power steering (EPS) means you can dominate every inch of land, without feeling it the next morning. Plus, the brightest lights in its class give you more hours in the day so your adventure can last as long as you do.

Warning: ATVs can be hazardous to operate. Driver must be at least 16 years old to operate. Textron Off Road recommends that all ATV riders take an approved training course. For your safety: always wear a helmet, eye protection, and other protective clothing. Always remember that riding and alcohol/drugs don't mix. Never ride on paved surfaces or public roads. Never carry passengers on any ATV not specifically designed by the manufacturer for such use. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. Read your owner's manual. Respect all applicable laws and regulations. For safety and training information, see your dealer or call the ATV Safety Institute at 1-800-887-2887 or go to www.atvsafety.org. ©2017 Textron Specialized Vehicles Inc. All rights reserved. Vehicles as photographed may include options not included on base model. 82513-G3 (Rev. 01/2017)
